

IMMUNOLOGY ADDITIONAL SERVICES & REFERENCE LABORATORIES

REFERRAL LABORATORY	ADDRESS	TEST REPERTOIRE	REFERRAL LAB TURNAROUND
Red Cell Immunohaematology Department	Trent Regional Transfusion Centre Logley Lane Sheffield S5 7JN	Anti- IgA Antibodies	5 days
Institute of Neurology	Queen Square London WC1 3BG	Basal Ganglia autoantibody Ganglionic autoantibody	5 days
Department of Immunology Sheffield	PO Box 894 Sheffield S5 7YT	Serum C1q Rare allergen specific IgE Candida antibodies Cardiac autoantibody Enterocyte autoantibody Glutamic Acid Decarboxylase ab. Histone autoantibody IA2 (Pancreatic Islet Cell) ab. Serum IgD Insulin autoantibody Islet cell autoantibody Mannose Binding Lectin PM-Scl autoantibody Pituitary gland autoantibody Parathyroid autoantibody PL7, PL12 autoantibodies Serum Amyloid A Testicular autoantibody	7 days
The Buxton Laboratory	Walton Centre for Neurology Lower Lane Fazakerley Liverpool L9 7LJ	Acetylcholine Receptor (AChR) autoantibody	7 days
Purine Research Laboratory	3 rd Floor Block 7 South Wing St.Thomas Hospital London SE1 7EH	Exclusion of ADA/PNP deficiency	
Immunology Department Manchester	Clinical Science Building Hope Hospital Stott Lane Salford M6 8HD	Alternate pathway haemolytic assay CH50 functional complement assay Properdin C3 nephritic factor Functional antibody tests Serum IgG4 level	14 days 7 days 7 days
Dr.A.Vincent Neuroscience Group	Institute of Molecular	Aquaporin 4 autoantibody Myelin Associated Glycoprotein	10 days

	Medicine John Radcliffe Hospital Headington Oxford OX3 9DU	autoantibody Muscle Specific Kinase ab. Voltage Gated Calcium Channel autoantibody Voltage Gated Potassium Channel autoantibody	28 days
St. John's Institute of Dermatology	St. Thomas Hospital London SE1 7EH	Skin Direct Immunofluorescence	
Biochemistry & Immunology	University Hospital Wales Heathpark Cardiff CF14 4XW	Complement Factor H	28 days
Department of Neurology	Institute of Neurological Science Southern General Hospital Glasgow G51 4TF	Ganglioside autoantibody	7 days
Protein Reference Unit	Level 2 Jenner Wing St. Georges Hospital Blackshaw Road London SW17 0QT	Gamma Interferon	
Vaccine Evaluation Department	PO Box 209 Clinical Science Building Manchester Royal Infirmary Manchester M13 9WZ	Meningococcal antibody Strain Specific Pneumococcal Antibodies	28 days
The Buxton Laboratory	Walton Centre for Neurology Lower Lane Fazakerley Liverpool L9 7LJ	Onconeuronal autoantibody Purkinje cell antibody	15 days
Sub-Fertility Laboratory	1 st Floor Old Building St. Mary's Hospital Hathersage Road Manchester M13 0JH	Spermatozoa autoantibody	5 weeks
